\*\*\*30 week program | \*28 week program

### BACHELOR DEGREE (4-YEAR PROGRAM, WITH CO-OP)

Bachelor of Applied Health Information Science (Honours)
Bachelor of Applied Technology (Honours) – Architecture – Project and Facility Management
Bachelor of Business Administration (Honours)–Accounting, Audit and Information Technology
Bachelor of Business Administration (Honours) – International Business Management
Bachelor of Community and Criminal Justice (Honours)
Bachelor of Computer Science (Honours)
Bachelor of Design (Honours)
Bachelor of Early Learning Program Development (Honours)
Bachelor of Engineering – Building Systems Engineering
Bachelor of Engineering – Electronic Systems Engineering
Bachelor of Engineering – Mechanical Systems Engineering
Bachelor of Engineering – Power Systems Engineering
Bachelor of Environmental Public Health (Honours)
Bachelor of Interior Design (Honours)

### ADVANCED DIPLOMA (3-YEAR PROGRAM)

Architecture – Construction Engineering Technology (Opt Co-op)
Business Administration – Accounting
Business Administration – Accounting Accelerated*
Business Administration – Financial Planning
Business Administration – Management
Business Administration – Marketing
Business Administration – Supply Chain and Operations Management
Civil Engineering Technology (Opt Co-op)
Computer Engineering Technology (Opt Co-op)
Computer Programming/Analysis (Opt Co-op)
Electrical Engineering Technology (Opt Co-op)
Electronics Engineering Technology (Opt Co-op)
Energy Systems Engineering Technology – Electrical (Opt Co-op)
Environmental – Civil Engineering Technology (Opt Co-op)
Graphic Design
IT Innovation and Design (Opt Co-op)
Manufacturing Engineering Technology – Welding and Robotics (Opt Co-op)
Mechanical Engineering Technology – Automated Manufacturing (Opt Co-op)
Mechanical Engineering Technology – Design and Analysis (Opt Co-op)
Mechanical Engineering Technology – Robotics and Automation (Opt Co-op)
Software Engineering Technology (Opt Co-op)
Welding Engineering Technology – Inspection (Opt Co-op)
Woodworking Technology (Opt Co-op)

### DIPLOMA (2-YEAR PROGRAM)

Advertising and Marketing Communications
Animation
Baking and Pastry Arts Management (Opt Co-op)
Biotechnology Technician
Biotechnology Technician Fast Track***
Broadcast – Radio
Broadcasting – Television and Independent Production
Business
Business – Finance
Business – Insurance (Opt Co-op)
Business – International Business
Business – Marketing
Business – Marketing Accelerated
Business – Purchasing
Carpentry and Renovation Technician
Computer Programming
Culinary Management (Co-op)
Early Childhood Education (ECE)
Early Childhood Education (ECE) Fast Track
Educational Support
Electrical Engineering Technician
Electro-Mechanical Maintenance (Opt Co-op)

Electronics Engineering Technician
Esthetician
Fitness and Health Promotion
Food and Beverage Management – Hotel and Restaurant Operations (Opt-Co-op)
Food Processing Technician (Opt Co-op)
Game – Design
General Arts and Science – Diploma Option
Health Office Administration
Hearing Instrument Specialist
Heating, Refrigeration and Air Conditioning Technician
Information Technology Support Services (Opt Co-op)
Interior Decorating
Journalism
Mechanical Engineering Technician – Automated Manufacturing (Opt Co-op)
Mechanical Technician – CNC
Mechanical Technician – General Machinist (Opt Co-op)
Mechanical Technician – Tool and Die/Tool Maker (Opt Co-op)
Motive Power Technician – Automotive Service
Motive Power Technician – Heavy Duty Equipment (Opt Co-op)
Motive Power Technician – Truck and Coach
Nutrition and Food Service Management
Occupational Therapist Assistant and Physiotherapist Assistant
Office Administration – Executive
Packaging Engineering Technician (Opt Co-op)
Practical Nursing
Protection, Security and Investigation
Public Relations
Recreation and Leisure Services
Social Service Worker
Software Engineering Technician
Tourism – Destinations and Travel Management (Opt Co-op)
Visual Merchandising Arts
Welding and Fabrication Technician
Welding Engineering Technician – Robotics
Woodworking Technician

### GRADUATE CERTIFICATES (1 YEAR PROGRAM)

3D Computer Animation
Administrative Business Management
Big Data Solutions Architecture (Opt Co-op)
Business Development and Sales
Broadcasting Performance and Digital Media
Community and Social Service Management
Computer Application Security (Opt Co-op)
Computer Applications Development (Opt Co-op)
Enhanced Nursing Practice – Clinical and Critical Care
Enhanced Professional Practice – Gerontology and Chronic Illness
Environmental Building Sciences
Environmental Engineering Applications (Opt Co-op)
Event Management
Financial Planning Services
Food Safety and Quality Assurance – Food Processing
Global Business Management
Global Hospitality Management (Opt Co-op)
Health Care Administration – Management
Human Resources Management (Opt Co-op)
Information Technology Infrastructure
Information Technology Network Security
Interactive Media Management – Interaction Design
Mental Health and Substance Abuse – At-Risk Populations
Occupational Health, Safety and Wellness
Operations Leadership in Food Manufacturing
Process Quality Engineering
Project Management
Public Relations – Integrated Communications (Opt Co-op)

Public Service (Opt Co-op)
Social Media Marketing
Software Quality Assurance and Test Engineering (Opt Co-op)
Structural Packaging Design and Management
Supply Chain Management – Global
Sustainable Business Management (Opt Co-op)
Teaching English as a Second Language
Technical Communications (Optional Co-op)
Wireless Network Infrastructure

### GRADUATE CERTIFICATES (2 YEAR PROGRAM)

Applied Electrical Motion and Control Management
Applied Energy Management
Applied Manufacturing Management – Machining
Applied Manufacturing Management – Welding
Applied Manufacturing Management – Design Integration
Applied Network Infrastructure and System Administration
Construction Management (Opt Co-op)
Embedded Systems Development (Opt Co-op)
Enterprise Content Management
Health Care Administration and Service Management
Information Technology Business Analysis–Operations
Mobile Solutions Development (Opt Co-op)
Robotics and Industrial Automation (Opt Co-op)
Strategic Global Business Management
Strategic Marketing Communications
Structural Steel Management and Detailing (Opt Co-op)
Web Design and Development

### ONTARIO COLLEGE CERTIFICATES

Baking and Pastry Arts
Bookkeeping
Business Fundamentals
Construction Techniques – Brick and Stone
Construction Techniques (Carpentry)***
Construction Techniques (Carpentry, Masonry, HVAC and Welding)***
Construction Techniques (HVAC, Welding, Plumbing, and Electrical)***
Construction Techniques (Plumbing, Electrical, Carpentry and Masonry)
Culinary Skills (Co-op)
Design Foundations
Electrical Techniques
Food Service Worker
General Arts and Science – One-Year
Heavy Construction Equipment Operation
Hospitality Operations – Food and Beverage
Human Services Foundation
Mechanical Techniques – Plumbing
Media Foundations
Medical Office Practices
Motive Power Fundamentals – Automotive Repair
Motive Power Techniques – Heavy Duty Equipment Repair
Motive Power Techniques – Motorcycle and Power Sport Vehicles Repair
Office Administration – General
Personal Support Worker
Power Engineering Techniques – 4th Class
Pre-Health Sciences Pathway to Advanced Diplomas and Degrees
Pre-Health Sciences Pathway to Certificates and Diplomas
Professional Cheesemaking
Renewable Energy Techniques*
Technology Foundations (Optional Co-op)
Welding Techniques

### EAS (1-YEAR PROGRAM)

English for Academic Studies
